This revision guide helps students understand the processes that affect physical and human environments on a local, regional and international scale. Landforms and landscape processes: marine processes; 7. Leisure activities and tourism; 11. Sample answers to all of the revision book questions are in the back of the book. Population dynamics 2. DESCRIPTION Explore tourism in Kenya, to urban sprawl in Dubai, and the cautionary tale of Unawatuna beach in Sri Lanka. - Enables students to avoid common misconceptions and mistakes by highlighting them throughout. Builds students' skills constructing and writing answers as they progress through a range of practice questions. Allows students to mark their own responses and easily identify areas for improvement using the answers in the back of the book. Helps students target their revision and focus on important concepts and skills with key objectives at the beginning of every chapter. Ensures that students maximise their time in the exam by including examiner's tips and suggestions on how to approach the questions. Contextualise knowledge with case studies Cookies are used to provide, analyse and improve our services; provide chat tools; and showyou relevant content on advertising. Industry 16. Climate and natural vegetation 13.
